	the division's 963th 3ds How Arty Regt was believed to have been permanently stationed in Ohrdruf. This belief	
	is not substantiated by the present report, provided	25X1
	statement that the barracks installation on Arnstaedter Strasse quartered only guard personnel was correct. However, the fresh tank	
	treads indicate that troop units were at Chrdruf at that time, probably only for temporary firing practice. Similar information	
	has been received from other troop training grounds.
